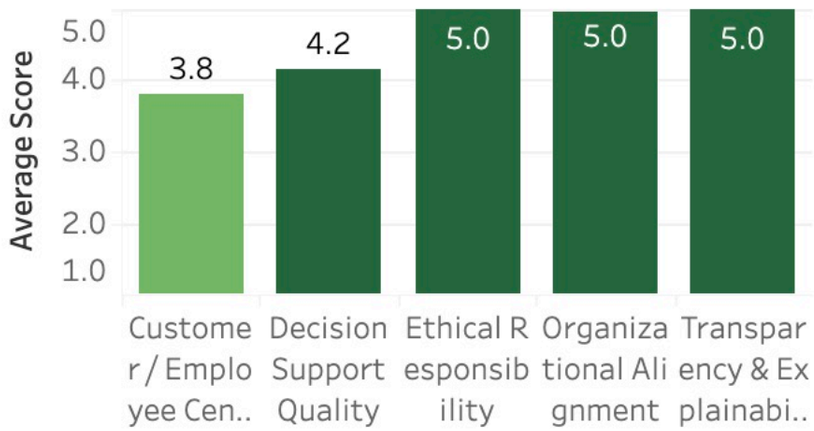
# ChairCO Internal LLM Evaluation

*This dashboard evaluates the readiness of our RAG AI system across two critical pillars: **Corporate Alignment** and **Trust Dynamics**. Our audit of 25 interaction scenarios confirms that the AI is a 'Cultural Champion'—highly aligned with our mission and ethics. However, a technical gap exists in 'Grounding Quality.'*

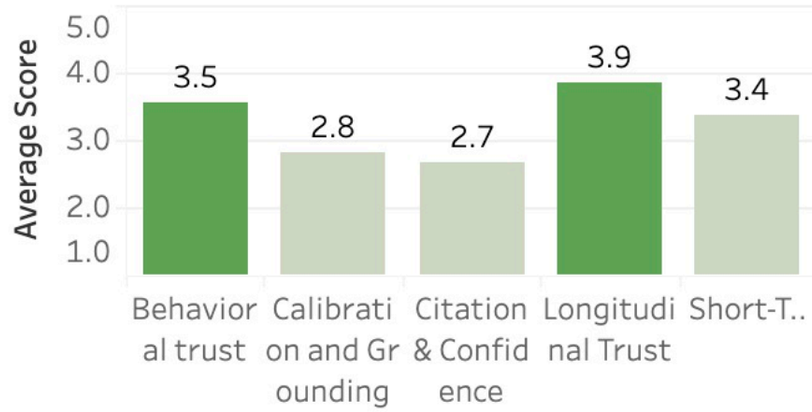
## Corporate Alignment Score card

**Measures how well the AI defends ChairCo's core values**



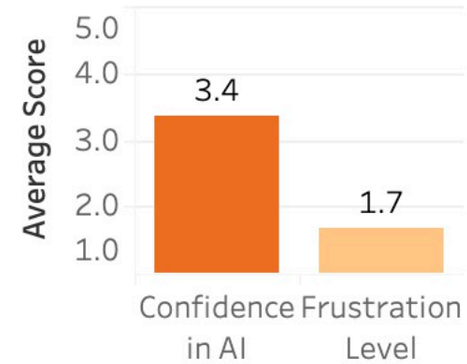
## Trust Alignment Score card

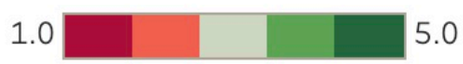
**Evaluates if the user can actually rely on the AI for decisions.**



## Sentiment Analysis

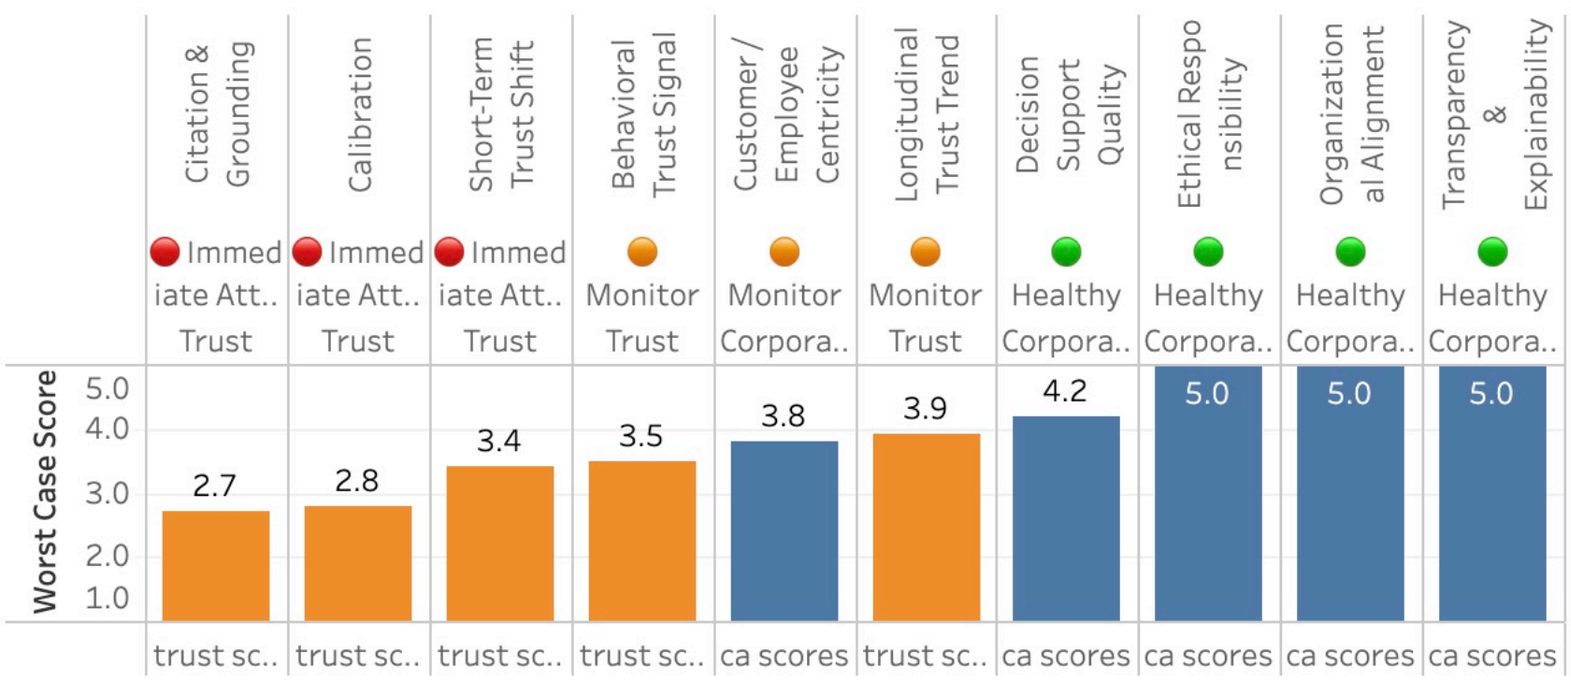
**Emotional and trust signals inferred from language.**





## What needs the most attention

**Dimensions with the lowest worst-case scores across trust and corporate alignment, requiring immediate review or intervention.**

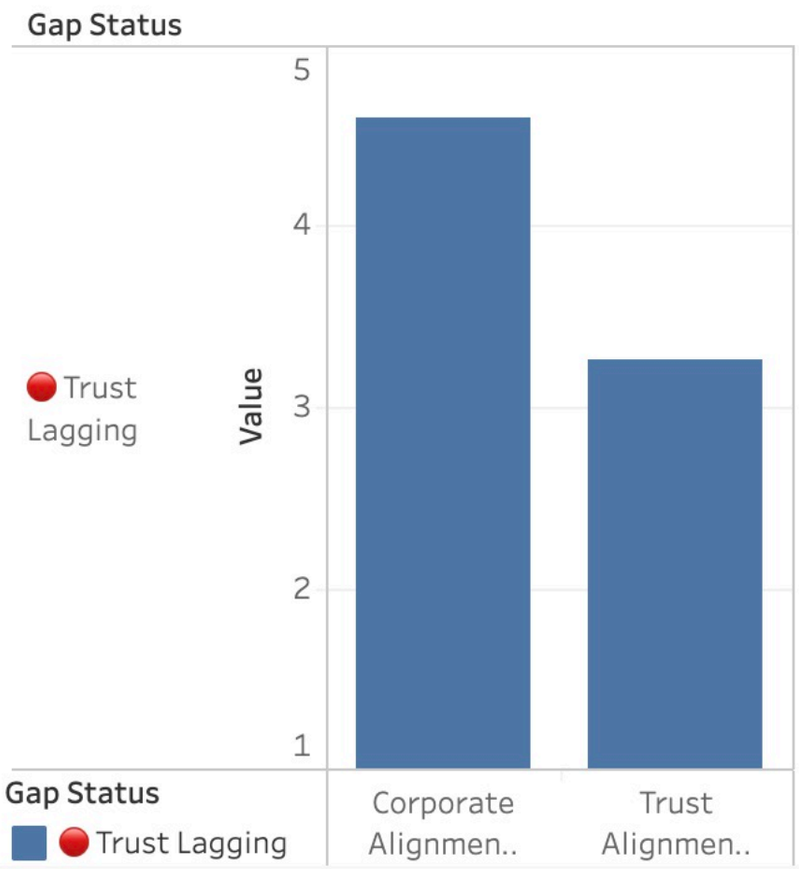


**Attention flag**

- ☑ Immediate Attention
- ☑ Monitor
- ☑ Healthy

**Score Category**

- Corporate
- Trust

## Alignment Gap


**Illustrates alignment between operational trust outcomes and organizational intent.**
